EXPERIENCE

- **Student Organizer - Rangechinar Cultural Fest** Oct 2023
NIT Srinagar
 - Organized and managed the Rangechinar Cultural Fest, sponsored by Narrative, with a sponsorship of Rs 1,000 and an airdrop of 50 NFTs to participants' wallets.
 - Coordinated event logistics, ensuring smooth execution of activities and fostering engagement with attendees.
 - Taught the concept of NFT minting, introducing participants to blockchain technology and the process of creating their own NFTs.
 - Collaborated with team members to market the event, driving a significant increase in participant attendance and engagement.

PERSONAL PROJECTS

- **Java-Based E-Commerce Inventory Management System** Source Code
Java, Object-Oriented Programming, Command-Line Interface
 - Developed a Java-based inventory management system to efficiently manage product data for e-commerce platforms.
 - Implemented key features for product management (add, update, delete, display) and real-time inventory tracking.
 - Created a user-friendly command-line interface to interact with the system and streamline operations.
 - Applied object-oriented programming principles such as encapsulation, inheritance, and polymorphism for maintainability and scalability.
